

Simplified Summer Food Service Program

Beginning January 1, 2008 all SFSP sponsors will receive the maximum "meals times rates" operating and administrative reimbursements without regard to their actual costs.

Sponsors may combine their reimbursements to pay for any allowable cost, whether operating or administrative. Under these new procedures:

- Sponsors do not have to report their costs to the State agency, although they must maintain records for the State agency's review.
- Costs do not have to be categorized as "operational" or "administrative".
- Reimbursement is based each month on "meals times rates", without year-to-date comparison to actual costs or budgets.
